Residential Low-Income Definitions:

"Eligible Low-income Customer" means:

- a) *a residential electricity customer who has a pre-tax household income at or below the most recent pre-tax Low Income Cut-Off, according to Statistics Canada, plus 15% taking into account family size and community size, as qualified by a Social Service Agency or Government Agency; or*
- b) *a residential electricity customer who has been qualified for Emergency Financial Assistance;*

"Emergency Financial Assistance" means:

any Board-approved emergency financial assistance program made available by a distributor to eligible low-income residential customers;

"Social Service Agency or Government Agency" means:

- a) *a social service agency or government agency that partners with a given distributor to assess eligibility for Emergency Financial Assistance; or*
- b) *a social service agency or government agency that assesses eligibility for other energy financial assistance or low-income financial assistance programs, and partners with a given distributor to qualify customers for eligibility under this Code;*

For the purposes of the definition of "eligible low-income customer"; a residential electricity customer who has been qualified as an eligible low income customer shall remain an eligible low-income customer for a period of two years from the date on which he or she was so qualified.
